Privateer Support

Champion Cycles

Here's your chance to help several privateers continue their efforts to be successful in their motocross careers.

With the help of Champion Cycles and KTM, Al Albiker is seeking sponsorship opportunities to provide these individuals funding to make it to the Lucas Oil Outdoor nationals this year.

You can make a difference. This team is the "grass roots" to an up and coming satellite team positioning for next year to run Supercross and the outdoor series!

Riders

- Tyler Wharton
- Michael Picone
- Tevin Tapia

Our program for this year is to help riders that have had a bad break, ether because of injury or bad luck or just not the right help to get them to where they need to be in the sport. These kids have the ability to be competitive in the sport. They will promote their sponsors with the utmost integrity and professionalism both on and off the track!

You can make the difference!

We are giving them a program with a recipe for success.

- They will train together
- Practice together
- Live together
- Everything done as a team

What we need help with is the cost of rent ,travel and the cost of racing week to week. Champion Cycles is supplying all the bikes and parts with the help KTM.

So for your donation you will get in return

National Exposure for your Company!

All sponsorship contributions will get national level exposure from our professional motocross team through various media outlets, as well as the following:
